£1800 ono

1975 Austin Allegro 1100DL four door saloon

Gold, 34,000 miles, some service history up to 6,600 miles, previously owned by an Austin employee.

The Allegro was last taxed in '92, it was then MOT'd in '96 & has been stored ever since.

Structurally it appears very sound but will need a lot of mechanical work to make it roadworthy.

The brake fluid has disappeared, the rear brakes are seized on so skates will be required to enable the car to be trailered away. The petrol tank is very corroded so will require replacement.

We can email images and full description of works required.
